God, you are so good to me!
Thank you for…

God, you are so good to me!

God, sometimes you seem far away.
Please be near to me.

You feel far away when….

God, sometimes you feel far away.
Please be near to me.

God, you are amazing!
Look at all that you've made!
Look at…

God, you are amazing!
Look at all that you do!
Look at…

God, you are amazing!
Here's what I think of you…
