

## ► It's time for healing in **Afghanistan**.

Canada's public debate focuses on security and counter-insurgency, but this is only part of the solution.

## ► It's time to **build peace**.

The *Action Plan for Peace, Reconciliation and Justice* is a made-in-Afghanistan plan for accountability, restoration, and **lasting peace**.

**It needs our support.**

## ► It's time for **the CRC's voice**.

- The Christian Reformed Church **believes** in peacebuilding, and calls its members to be "agents of *shalom* in a war-torn world":

- In late January 2008, the Canadian government will hear advice from its panel on Canada's future role in Afghanistan.
- Now is the time to get your voice heard! The CRC's Canadian justice ministry, **Committee for Contact with the Government**, helps to enable faithful Christian political action, and has made it easy to get informed and get involved.

“ a time to **tear** and  
a time to **mend** ...

a time to be **silent** and  
a time to **speak** ”
