

March 17, 2010

Greetings from sunny East Harlem! This is to update you on an exciting upcoming event for Open Door Fellowship.

Please pray with us as we host a screening of both the Jesus Film and the Jesus Film for Children on Friday, March 26, at the Clinton Community Center (the same location where we hold Sunday services). The Jesus Film, produced in 1979, has been translated into

over 1,000 languages and has been shown around the world to over one billion people (yes, with a "b") in the past 30 years.

Specifically, we are asking God:

- to bring many families from our immediate neighborhood, including the Clinton and Jefferson public housing complexes
- that He would be glorified in the movie and that many would believe in Christ for the first time
- that many who do not already have a church home would visit ODF after attending the Jesus Film
- that this would be the first of many outreach events that we are able to hold at the Clinton Community Center and that God would provide the resources for the rental of the center and other expenses associated with using the space

Thank you for your prayers and support. We look forward to giving a praise report of the outreach in next month's newsletter.
