Thank you for praying for our triads. Triads are discipleship groups of 2 or 3 that multiply as they grow to 4. It is a great place for people to be introduced to Christ, be discipled in Christ, and have first experiences using their gifts and developing as leaders. In our last prayer letter we shared with you that we had launched a total of 12 triads- each with a liaison to serve as the link to On The House Church as well as a commitment to receive ongoing training. We are excited about the growth in the body life of On The House Church as our triad liaisons have linked together to learn from one another, share prayer requests, and encourage each other as leaders. We are thankful that each one of these groups has now not only been launched but have established themselves, and in some cases, have seen new people begin to come!

We ask that you continue to pray that these new groups can form, grow, and multiply so that new people can be introduced to life in Christ and new apprentice leaders for cell groups can be raised up. This is a key prayer request for the future fruitfulness of our church!

A week ago one of our sets of leaders who have led one of our cell groups earlier led a marriage retreat. The response to this was very positive and 30 couples- most of them from outside of the our church, attended this weekend of teaching and marriage renewal. Please continue to pray for these couples as they apply what they have learned to their marriages.

On a personal note, it has been a busy and exciting time for our family. In next month we will see our daughter Morgan and our nephew Jordan graduate from High School. This is a great milestone for both of them as a part of our family and represents much answered prayer. As a side note, both of them are invested weekly in a triad and we give thanks for their commitment to nurturing their walk with God and sharing Jesus with others.

We give thanks for the financial support we receive from you and others. While we continue to make progress financially, we remain humbly dependant upon the outside support of others. CRC Home Missions has notified us that our grant term has ended and so we move forward thankful for their support in the past. They have shown a great commitment to seeing new churches get started and we are proud of that partnership with them that we have enjoyed. Jeff continues coach pastors through Home Missions and is in the process of receiving his Advanced Coaching certification.

Another positive report has been the opportunity to work weekly with a man from our community who is struggling with addiction. We have met with him to help him in his recovery and are thankful that he has grown spiritually and stayed clean and sober. He now carries a great testimony that he willingly shares with others!

Our Easter service was a great reunion gathering celebration in our home focusing on the resurrection of Jesus Christ. The service included the reaffirmation of faith of a young man named Jake and great music ministry led by our nephew Jordan.

In Christ, Jeff, Michelle, Morgan, Marc, Gabrielle, and Jordan
