July 2010

**God is at work in Thorold.** We believe it is God’s will that The Village Church should grow. Our desire is to reach and enfold 30 more people by December 2011. Our goal is to overcome the barriers that prevent that from happening. The biggest barrier is Satan and his schemes but through prayer he will be restrained.

- Pray that our desire for 30 more people is also God’s plan.
- Pray the power of Satan may be restrained in Thorold.
- Pray we may identify and remove any other barriers to growth.

## **Community Picnic – July 25**

Once again we are inviting the community to come for food and fun in the park.

- Pray many people will come and new relationships will be built.
- Pray for good weather, good times and safety.

## **Worship in the Park – August 8, 29**

What a beautiful experience to worship the Creator in his creation. Beaverdams Park has a band shell and a shady hillside. We truly enjoyed the outdoors as we worshiped July 11 and people passing by did join us. As we do this again for two Sundays in August

- Pray our Maker may receive glory and new persons may be attracted to and get to know our generous God.

## **Children’s ministry**

Children are important to Jesus and also to The Village Church. Attractive children’s lessons and activities are essential for families to continue to attend.

- Thank God for Jen Lensink who will now lead this ministry.
- Pray for wisdom for Jen and others as programming is planned for September.

## **Pastor Mike**

Pastor Mike plans to coach the Thorold High School Football team again this fall. He also plans a sermon series on Faith and Doubt.

- Pray that Pastor Mike may be Spirit filled in his preaching and in all his dealings in the community.
