December Series - Can You See Him?

December is a month filled with well-known songs, lights, colors, gifts, and number of things that grab our emotions and eyes. Everywhere we look causes us to feel immersed in a huge party.

A question that comes around every Christmas yet we continue struggle is how can we really see Christ in midst of such an emotionally and visually driven season? Moreover, what happen if we can see Christ everywhere, everyday, and every situation all year long? How would that impact and change our day-to-day life in 2012? *Join us for this series and participate in our online survey located in our web www.connection-point.org.*
