LIVING MOSAIC CHURCH – BURLINGTON, ON

7-31-09

Dear Prayer Partners,

I hope you are taking the time to enjoy the summer. Our family really enjoyed our time away camping.

Just one prayer request. As I mentioned a few weeks ago, by the end of the summer, we need to make some decisions about our future facility for worship. Next week Sunday after our church service, we are having a members' meeting focusing solely on this issue. Please pray for us as we seek to discern together and align ourselves with God's will for the next chapter of our journey with Him. Pray for clarity, unity, courage, and protection. We appreciate your prayers!

I've also attached for you our summer newsletter – few words but lots of pictures.

This Sunday is Living Mosaic's Annual Church Picnic at Lowville Park which is always a great time of fun, food and friends. If you're in the area and would like to join us, please do! Check our website for details.

Right after the church picnic, literally, our family leaves for 12 days of camping! We are really looking forward to it.

During this time, I ask that you would pray for our family, that we would truly have a rejuvenating time together. Also, please pray for our church family – for our protection, preparation and planning. In particular, please pray for us as we continue to discern God's plans for us in regards to our worship facility come September. Our contract with Trinity Christian School ends August so we need to figure out what God's will is – do we stay? Or if we are to go, then where? And all the other details that go along with either decision.

Regardless of what happens, I anticipate some amazing God-stuff for us in the Fall. But for now, let's enjoy the summer!!

Thanks for your continued prayers, encouragement, and support.
