Enrollment in the Deeper Journey is for all the retreats in the journey. Registrants are expected to make these retreat dates a high priority. Opportunity will be given to leave the Deeper Journey experience after the first retreat without further financial obligation. After that time, participants who have an unavoidable conflict with one or more retreats will not be charged the retreat center's expense if they provide ten days notice. They will, however, share in the ongoing program costs for any retreat missed (approximately one-half of the fee for each retreat).
