

Mission Statement

GRACE Unlimited exists to help people from ALL walks of life achieve their God-given goals.

We declare that we are not a people that flirt with immorality, but follow after holiness.

We endeavor to create an environment in our weekly worship that is conducive for Bible training.

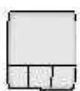

We encourage and help build strong support for believers through counseling, and likewise build confidence through positive relationships.

We purpose to be an EXHALTING church, an EVANGELIZING church, and an EQUIPPING church.

SHOWERS OF BLESSINGS

This month brought a tremendous "stream of showers" in Word and messages that impacted the entire GRACE House. We were encouraged by the message, "How to Handle

Fear". By paying attention to:

- 1 the occasion - the times we live in
 - 2 the opposition - the battles we've won and the ones we face
 - 3 the outcome - expect God's rewards. In all these things we can simply enter God's presence and
- *Get strength
 - *Get courage
 - *Get understanding of His purpose for our lives.

The entire month seemed to take on a mode of 'revival' much needed in our hearts and in our communities.

REVIVAL

Prophet Henry Pigeo was our guest revivalist also two nights this month. God used him to raise the GRACE Place to a whole new level.

Get in His Presence...

His Presence, His Power, His Peace

Mother...

You are example, you give, you love,

You encourage.

You pray.

You teach us how to behave.

In a crisis, you teach us to keep going.

In life, you tell us to

make the best of things.

You show patience.

You show strength.

In the end, (and by God's grace)

You still stand.

...You are "Mother".

Operation Black MALE!

Each Sunday this month at 1:30pm GRACE Unlimited hosted powerful services that were dedicated to and focused on the preservation and advancement of the BLACK MALE Race, calling...All boys, Young Men, Sons, Dads, Uncles, Cousins, Nephews, GrandDads, and Greats. Inviting them to COME TAKE THEIR PLACE and Discover His God-given Purpose. Was a beautiful, educational, inspirational series of services with gift bags and Bible giveaways for our guests, with a culmination of an outdoor banquet on the last (5th) Sunday. The Brandon Bullard Foundation (Mr. & Mrs. Pat Wooten, Sr.) sponsored the entire event, with a host of other donors. Souls were blessed by the inspired messages, and more importantly, souls were **won** for Christ! More for the KINGDOM !!
