

## Mission Statement

GRACE Unlimited exists to help people from ALL walks of life achieve their God-given goals.

We declare that we are not a people that flirt with immorality, but follow after holiness.

We endeavor to create an environment in our weekly worship that is conducive for Bible training.

We encourage and help build strong support for believers through counseling, and likewise build confidence through positive relationships.

We purpose to be an EXALTING church, an EVANGELIZING church, and an EQUIPPING church.

## JANUARY 2009

The New Year began with a powerful caption. Our theme this entire year is, "Reformation and Restoration!", Isaiah 66:8c. It reads, "...for as soon as Zion travailed, she brought forth her children."

### *First Fruit Offering*

We were so honored to have had Pastor Henry Pigeo come and bless the GRACE house twice on "First Fruit Offerings" this month. We are yet reaping the rewards in understanding that God honors those that place him 'first', even when it comes to our finances (our substances). Testimonies were given and many hearts were encouraged. We can safely say that we experienced a

**SUPERNATURAL INTERVENTION** from the Lord!

### **3D's of DAVID**

The next time you're in an unfavorable situation, remember the **3D's of DAVID**: He Had a *dilemma* - an unpleasant situation. Had *determination* - that God would deliver him. Received *deliverance* - God delivered him

## FEBRUARY 2009

We can begin to focus more on our theme, "Let it HAPPEN!" more in our lives, and particularly in every total aspect. As we allow ourselves to shed forth any drawbacks, resistances, premonitions, lingering doubts, then honestly we will begin to see God manifest himself even more which also increases our level of faith. Allow this month to be your beginning. Whatever God has for you, just "Let it HAPPEN!"

### **HOLY GATHERING 2009!**

This year's "HOLY GATHERING 2009" Conference left us on a cloud! Here are our highlights:

Pastor John Tundstall IV - Abundant Life Christian Church spoke on the theme ("Let it HAPPEN!") blessed our hearts.  
Pastor Alicia Pigeo - Church of the Word Spoke to us on "An Uncommon Place". Awesome revelation.

Pastor Glen Fowler - Mt. Rose MB Church shared remarkable insight.  
Pastor Maurice Johnson - Kingdom Life Church took us to another level.

After this Conference, our lives have never been the same. This is **JUST** the beginning!

## MARCH 2009

### **LINE UP**

Good things are happening around in the land of GRACE this year. Pastor James Wiley from Leroy, Alabama, shared with us an important revelation this month. He encouraged us to make sure all our *Needs, Desires, and Wants* for our lives, our families and even our personal lifestyles, all line up with the will of God for our lives. Doing so, we can never go wrong
