WORLD-WIDE NETWORKS

Jeff & Vicki Meyer—

Thanks for your ongoing encouragement and support! It's a pleasure to be able to tell you, again, how God is answering your prayers. Please read on...

UPGRADED WEB SITE CONNECTS

Arnie and Holly Bracy moved to Holland and began attending Crosswinds a couple years ago. This summer Arnie taught himself how to create web sites and rebuilt the Crosswinds site. The effort is largely complete and can be seen at www.crosswindsc.com. The site displays many pictures that help tell the Crosswinds story. One picture (below) was even "nabbed" by the Holland Convention Bureau! Pray that this technological tool will continue to connect searching people with satisfying ministry at Crosswinds.

Bobby and Adan at Tunnel Park

REQUESTS FOR PRAYER

- God's work in the lives and families of community kids who played in Crosswinds Summer Soccer League.
- Launch of second season of Spanish and English Coffee Break ministry in September.
- Recruiting of small group ministry leaders
- Families with immigration challenges
- Two Crosswinds people, Darla and Arnie, are beginning studies for Christian ministry in the Lakeshore Leadership Development Network (LLDN)

This summer Mila has begun attending Crosswinds. She is from the Ukraine and has lived in the U.S. for 11 years. God's timing was right – she crossed paths one day with a Crosswinds member at the Park Township community garden. Mila was ready for an invitation to check out the Christian community at Crosswinds. Since then we have been blessed by our growing friendship with Mila! Next week she will be leaving for a five week stay in the Ukraine to visit her two adult sons and other friends and relatives. We have made contact with CRC World Missionary, George DeVuyst who lives in the Ukraine exploring the possibility that Mila might be able to connect her son(s) with a vital Christian community in her home country.

Another Crosswinds friend will be returning to her Asian homeland in the next couple months for an extended time. When she came to the U.S. nine years ago she was Buddhist. Now she knows Jesus as her Savior and Lord. We have made contact with CRC World Missionary, Gil Suh, in her home country in the hope that she will be welcomed into a Christian community when she arrives.

Praise God that we are part of a world-wide community of Christians, and pray that God will work out his purposes in the lives of each of these people and their families.

GOD'S GROWING FAMILY

On August 22 Crosswinds was blessed to hear the professions of faith of Mario and Carmen Vivaldo and witness the baptism of their three girls. In the picture below, the Vivaldo family is surrounded by prayer after their professions of faith.
