Praise the Lord

Our God is an Awesome God. Let His Name be glorified for He has done great things in EKKLESIA during the last quarter. God sent new people to our congregation: Lai Family of Chino Hills CA (Paul, Meitri, William, David). They were un-churched and came to the Lord through our outreach program. We utilize birthday party as an opportunity to get in touch with new people and spread the gospel. In the beginning was only Meitri who came to the church, but the last few weeks Paul (husband) came along. Please pray that God will help this family growing in faith.

The "Lai", new member

This month is the fruitful month to our ministry since we did baptism to 6 of our members: Hansen Family (Ade, Rebecca, Rachel, Natalie) , Alan Pierce, and Monica Peritiwi. Ade (the wife of Torben Hansen) was a Moslem, came from the hard-line Moslem background in West Java, Indonesia. It was only by the grace of God when she said "YES" for this baptism. They were immersed on July 19, 2009. They came to the Lord through he birthday party outreach program. They were invited by Richard and Agnes Whitney

(our member)to celebrate their son's birthday. God opened Ade's heart , she and the whole family came to our church on the following Sunday . They were taught in Baptism Preparation for several weeks. Please pray for Hansen Family (particularly Ade) as she was very new to the family of God. Pray that God will help her growing, along with her family. Mothers day and Fathers day have been a remarkable day for EKKLESIA family. We got together as a family. On Mother's Day, children were given opportunities to express their gratitude to their mother. That day became a tearful day as some mothers express their love to their children as well. Kevin was struggling as a teenager, but God touched him through that Mother's day. He cries and hugged his mother when she said: "Kevin, I never give up on you, I love you no matter what happened in your life". What an excellent expression and reminder of God's love to us. He never give up, no matter what happened in our life. Praise be to GOD almighty in Jesus name!!

Please remember our ministry in your prayer

1. Pray for our outreach program "CAMPING AND FUN" on September 2009. We will be camping in San Diego area, at the same time we will invite people outside of our church to come. Pray that God will open their heart for Jesus.
2. Pray that God will make our church to be HIS instrument in reaching souls.
3. Pray that God will guide me to equip the congregation and some of them will be ready for the leadership and ministry.
4. Pray that my wife will find a job and she could support my family financially.
5. Pray that God will help me to find a place to live in Orange County, we want to live closed to our church member.
