Words of thanksgiving from
Pastor Carlos Palacios

Dear Home Missions' brothers and sisters,

After the experience of frequent ups and downs in planting "Comunidad de Fe Poinciana CRC", Trini and I are strongly convinced that God is working actively in our ministry. Since my wife and I arrived to Poinciana, Kissimmee, we have faced the planting activity grasping from "0". At first hand, our priority was to contact people in many ways such as providing ESL (English as a second language) to the residents of Poinciana and ministering them with the gospel of Christ, opening a bible study in our house, and continue our intentional approaching and partnership with the community leaders. Although we were "0" at the end of 2008, at the beginning of 2010 the Kingdom have been blessed in growing numerically to 32 parishioners. This growth, including the spiritual strength for all, reflects God's mighty hands, love and mercy for this community.

We just remember on January 2009 my wife and I decided to arrange our living room into sanctuary in order to celebrate Sunday worship services. After three months, we moved to a School facility that we have stayed to permanently worship God every Sunday. Time goes fast, and now we are exciting to celebrate our first anniversary on March 21st. On this occasion, we will host New Horizon CRC members including the pastor's family whom are traveling from NJ.

We cannot miss the opportunity to address our sincerely thanking to every person who has been a faithful prayer warrior by asking God's blessings for us, as well as, to each person who supports us and believes in us. Of course, our biggest thanksgiving is to our Lord Jesus Christ for commanding us to His mission that was possible through Home Missions CRC. My words of recognition and thanksgiving to every denominational leader, who understands, what difficult is the process of planting a church and the responsibility to be actively involved. However, as I said before, although more difficulties may arise ahead in the horizon, my wife and I we will continue seeking the lost and leading the flock in Kissimmee with God's help.

God bless you
