News Letter
 April 2009 -June 2009

Here it is the latest news! First of all, I want to thank each person who remembers our ministry in prayer. We thank Viviana Cornejo, for having asked about our needs so she may pray for us. We have begun our first worship service on January 18 at the pastor's house then we moved to a new facility (High School) on April 12, 2009. I want to say that God has been so good in the last three months. I know that the biggest concern for every church planter is to see the growth of his plant. Indeed, we have been guided by the Holy Spirit to garden carefully our ministry. In the last news letter I counted 24 members in our ministry, but now we are a group of 35. You probably may say this growth is slow. However, let me share with you that although the number is small, nothing is more rewarding and important for me than to see God's people growing spiritually. Praise God that we are becoming a healthy church. Please, note that my new cell phone number is: 407-780-0198.

How far are we from the beginning?

1. Our Sunday services are at the High School facility. We also have an extra room where our kids have their own time together. My wife Triny is doing a blessing job with the children ministry. Every Sunday, our kids lead us through a song while everybody moves from their seats to the altar bringing offerings to the Lord. What a nice picture to see our children singing and praising the Lord.
2. God is opening doors to incarnate our ministry in the community of Poinciana. We have been invited to participate in a civic event of 4th of July. Also, we have been asked to participate in the Census 2010. Recently, I had a meeting with the superintendent of Osceola county and other local leaders to develop good education programs to reduce the level of desertion among high school students. God is calling us to be involved in the community in different ways. We believe that "Comunidad de Fe CRC" is God's instrument to transform the community of Poinciana into a community of faith in Jesus Christ.
3. We are preparing to continue the ESL classes on September 30th to meet more residents. Please, pray for this program and ask God to open ways for evangelism and fellowship among the students.

Prayer Request

- Pray for the impact of Evangelism in our community. Please, pray for our new ministry of mercy. We would like to visit ill people at the local hospitals and pray for them.
- Please, pray for our fund raising to visit the “Holy Land” (this is a local park in Orlando that we may visit to see replicates of biblical sites). I want the whole congregation go together and to learn more about the Bible.
- Please, unite your prayers with us and ask God to bring back some people who have stopped to attend our church. God knows their names.
- Pray for our finances. Pray for the people who have been contacted by the pastor to support our ministry. We need more individuals and other sister congregations to commit with Comunidad de Fe in prayers as well as through financial support.
- Pray God that he may bring more youth into our church as well as gifted people in music to empower the praise team.
- Pray God that someone may donate banners or signs to advertise our church at the high school main entrance, so people may know that we meet there.

In Christ's love
Pastor: Carlos Palacios
