

PRAYER LETTER

July 29, 2009

There were not many activities for this month. We just had routine activities, such as Sunday services, prayer meetings, communion, visitation, monthly meeting (for evaluation).

On 4th of July our congregation had a picnic at the Balboa Beach. Because this summer is very hot, the last few Saturdays the kids have gone swimming at the swimming pool of Linda Sutanto's house, followed by a prayer meeting.

Here are some prayer requests. Please pray for

1. The congregation so they will know Jesus Christ as their own Savior, that they become born again Christians and they will become the aroma of Christ to others.
2. The team work of the Leaders and the Pastor so they know that this church is given from our Lord Jesus Christ to them, and they all together may think how to develop this church by using their own gifts.
3. Those who are having their time shortened or cut at their job.
4. Those who are losing jobs
5. Those who are looking for immigration status
6. Churches in Indonesia, so they may have freedom to worship and are allowed to build church buildings for worship.
7. New president, may the Holy Spirit lead him and his men to bring this country more peacefully and safely.

Thank you very much for your prayers.
