8 Baptisms @ Word of Truth!

This Summer Word of Truth embraced 8 new believers into the family of God. It was amazing to experience two sets of mothers and daughters being baptized along with 3 teenagers and a 38 year old new convert. The baptism was an eventful celebration as 45 of the candidates' close friends and family came together to witness the holy sacrament at the Joseph Foster Pool. There was dynamic music, prayer, and testimonies as the attendees experienced the Holy Spirit's presence in this wonderful event. We heard from people like retired Senior Pastor Richard Blair as he shared "this moment in time is very special to me and my family to witness my oldest grandson 'Trevaughn' getting baptized today gives me peace knowing that we

will leave a rich inheritance of the faith through him for the next generation." We ended the evening with the candidates giving testimonies about the Lord's grace and love for them. 15 year old Tre'vaughn Blair moved by emotion shared his heart and encouraged his best friend in attendance to receive Jesus Christ as his personal Lord and Savior and moved his mother Marcia Blair to tears after witnessing her son's heart for Jesus.

6 Missional Communities

Word of Truth has been undergoing a transformation to develop leaders and disciple our community. Pastor Presley has been teaching on vocation, function, and discipleship all summer and many in the congregation have caught on to these messages and have

responded in a dynamic way. Recently Word of Truth launched 6 Missional Communities in several communities in S. King County. The Missional Communities are made up of members of the congregations and their neighbors where the gatherings experience

sharing a meal, fellowship, prayer, studying the Word, and serving their community.
