

Discipleship Meetings

2009-2010

We are grateful to God for the success of this outreach to Muslims! During the past years many of Arab-Muslim families attended the Friday Fellowship. Dr. Basem Qusous delivers the message with love and boldness, some accepted Jesus Christ as their Lord and Savior; and others began to understand the message of Salvation and the faith in Christ. During the past, we disciples people when opportunity allows. But this year, our new strategy is to begin a new bible class for women on a weekly base. This class will take start in November, place (TBA). Dr. Basem Qusous the author of the catechism book in Arabic "*Growing in Grace*" will translate the first subject of his book "*The Bible*" to English; and Wafa Qusous will be leading this class at the church plant "*Bridge of Life Worship Center, BOLWC.*" She has been trained and speaks both languages fluently.

After much prayer and looking at many sensitive areas that took place in Dearborn this year, we felt the need to make a wise change to our strategy in our outreach and change the way of inviting people to the Friday Fellowship, and be sensitive with the Muslim people. We looked at the 2009-2010 calendars and we felt the best way to present these meetings to the Arabs is by attaching the meeting to a holiday around the year. We put together the Friday Fellowship schedule based on the holidays of the year. These dates are subject to change due to circumstances.

Please feel free to come and worship with us, so you also can observe the evening to get the feel of how we reach Muslims for Christ. Or, let us know if your church would like to come and host an evening by presenting the good news through a skit, drama, praise & worship songs and leading the children's program for that evening. Spaces fill up fast so please send us your response as soon as you can.
