Lovingly serving a diverse community to promote Faith-Hope & Love of Jesus Christ

Praise and Prayer Report

Praise

- Subsequent to our international dinner, held on Dec 13th, 2009, many enthusiastic requests are coming to hold another similar event either in spring of 2010 or in the coming summer. As many converts from other religions are excited to give their life changing testimonies to those who have not heard their testimonies. Therefore the leadership of Artesia City Church is prayerfully seeking sponsorships from the local business community.
- As it was shared in our previous newsletter that Artesia City Church was able to celebrate Christmas on Pioneer Blvd, we are glad to report that it was a very successful and meaningful event. Many non-believers got acquainted with our ministry, and as a result of this successful event many visitors are dropping by our office and exploring further opportunities to work as a team in order to extend and enhance our community outreach program
- The first meeting of The Board which guides and supervises our local ministry met on February 16th, 2010 under the chairmanship of Mr. Stan Cole. Representatives came from Bethany CRC, Artesia First CRC, and Trinity CRC. We are hoping to bring a couple of representatives from New Life Community Church in the near future. This board has a definite vision to implement in the city of Artesia.

Prayer

- Please pray for Mrs. Kalwant Kaur she belongs to a Sikh religion and she claims that she has also met Jesus in a vision. She is confused about who to follow. She is also fighting cancer that adds additional stress upon her, she has been coming to our Sunday Worship and to our Monday evening prayer meetings.
- Sunil Dutt is also a new Hindu convert attending Artesia City Church meetings and fellowships. He is diabetic and is desperately in need of a kidney transplant. Please pray for him and his family.
