inSpirit News and Updates;

Dear family and friends of inSpirit:

WOW!! A lot has happened since our last update. Let us share with you a little of what's taken place and what things look like moving forward.

First, we continue to praise God with how He is blessing us. We are extremely grateful to launch this ministry in an exceptional facility. Painting, furnishings, equipment, are all coming together nicely. We think you'll be amazed when you see just how God has blessed us. Financially we have received just over \$30,000 toward total expenses of approx. \$40,000. If you are able to help us out financially, we would be extremely grateful. We are moving forward in faith, confident that the Lord will provide.

Second, on the flip side, even though things are moving along well, we have changed our launch time-table. Because we are waiting on a number of things to come together, we have delayed our first gathering by two weeks. We **now anticipate starting on August 23rd**. The services on the 23rd and 30th will consist of praise, prayer, and sharing the excitement, reasons, and intentions for this new ministry.

As for the tentative schedule beyond the first two weeks, we do not plan to meet on Labor Day weekend but will resume with a celebration service and launch programming etc. on September 13th. We are excited and looking forward seeing all you as we begin this ministry together.

Lastly, we still have some volunteer positions that need to be filled. They are as follows;

- Prayer Coordinator
- Small Groups Coordinator
- Service Projects (servant ministries) Coordinator
- Facilities Director

Please don't be intimidated by the titles. If you would like to know more about these positions, please give Pastor Randy a call.

In closing, let us again say thanks to each of you for your support, commitment, and interest. We at inSpirit are grateful and blessed by your partnership.

Have a great day and see you soon!!

Serving Him,

The Leadership Team - inSpirit Church

PS - We hope to have the website and inspirit e-mails up shortly. For now, please continue to contact us as you have been.
