Five to Thrive

A RETREAT FOR
CHURCH PLANTERS &
SPOUSES

22 hours of refreshment, encouragement, networking, and learning.

February 26-27, 2012
Stronghold Retreat Center
Oregon, Illinois

When doing research for her master's thesis, Charlene Brouwer (church planter spouse) looked into the causes of burn-out in pastors. She uncovered five key relationships needing attention in order to thrive in ministry:

Five to Thrive

- ◆ Relationship to God
- ◆ Relationship to Self
- ◆ Relationship to Work
- ◆ Relationship to Spouse
- ◆ Relationship to Friends

The Home Missions Central US Mission Leadership Team will share and lead conversations based on their own expertise and experiences in each of these relationships.
