## Upcoming topics:

### February 3 Shine Your Light on AIDS

iEmbraceAIDS.com was created to help a new generation be a light at the end of the tunnel that is the AIDS crisis, and shine the light of Christ around the world. The site includes a variety of options for young people to do their part to learn about the disease, raise awareness with their friends, and be part of the solution. Find out how your church can help rally youth around this campaign. (Presented by Kristen Deroo VanderBerg, CRWRC Communications/Embrace AIDS Campaign Manager)

Due to popular demand, "How Green is Your Church" will be hosted once more, Thursday, February 12 at 12pm EST.

### February 10 Disaster Response Services Sunday Update

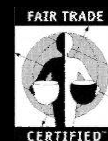

Learn about the latest DRS news and share ideas for promoting DRS Sunday in your church. (Presented by Wendy Hammond, CRWRC Church Relations-U.S. Special Guest: Bill Adams, Director of Disaster Response Services)

### February 17 Java Justice

One way to "do justice" in our every day lives is to spend money in ways that support the flourishing of those who have been oppressed. Fair trade is one way to do that. Join us to learn how to go fair trade in your church and at home, and learn about our new coffee product, "Brew Justice: A CRC Blend" which supports farmers as well as justice programs in the CRC. (In cooperation with the Office of Social Justice and Hunger Action; presented by Kate Kooyman, CRC Congregational Justice Mobilizer)

### February 24 The Changing Face of Missions

Are missionaries still needed? The world and missions methodology is changing dramatically. Explore what implications this has for CRC congregations and World Missions in their global ministries. (In cooperation with World Missions; presented by Steve Van Zanen, CRWM Director for Missions Mobilization)
