Global Outreach for a New Generation

A conference on short-term mission trips, intergenerational missions, and ministry with youth.

Saturday, October 30, 2010

Ivanrest CRC
3777 Ivanrest Avenue SW
Grandville, MI 49418

What's NEXT?!

NEXT! is a bold attempt to bring together three groups of people in dialogue around topics like short-term mission trips, intergenerational missions, and ministry with youth. How can Pastors, Youth Pastors & Workers, and Missions Committee Members & Enthusiasts all work together to develop global and local outreach that is integrated, intergenerational, and intentional? Come and help create an action plan for doing intergenerational missions well. Everyone is welcome. Everyone needs to be heard.

What will I come away with?

- Practical training that will help you maximize your short-term missions efforts.
- New ideas for developing and implementing intergenerational outreach initiatives.
- An exchange of experiences and ideas with other pastors, youth workers, and mission enthusiasts.
- An awareness of recent learning on cultural intelligence.
- Participation in the development of an action plan for an integrated approach to intergenerational outreach.
