

But the eyes of the LORD
are on those who fear him,
on those whose hope is
in his unfailing love,
to deliver them from death
and keep them alive in famine.

Psalm 33:18-19

Today, millions of people in Eastern Africa are facing the worst drought conditions many part of the region have seen in 60 years. Harvests have failed, food prices have skyrocketed due to the demand, water supplies are low, and livestock are dying from lack of grass and water. **Over 10 million people are facing famine.**

While months of severe drought are now inevitable, **a major crisis can still be averted in most areas if we respond with aid quickly.** Through your prayers and financial support, the Christian Reformed World Relief Committee (CRWRC) can be Jesus' hands and feet in this time of need.

CRWRC has already been responding to drought in Kenya since 2009. In the face of this growing crisis, CRWRC is significantly scaling up that response. In total, **CRWRC plans to reach 100,000 people in Kenya with monthly supplies of food rations and water, as well as fodder for livestock, from now until December.** CRWRC is also working through Food for the Hungry to respond to the drought situation in Ethiopia, and with World Concern to meet needs in Somalia. In total, CRWRC will reach 145,000 drought survivors with emergency aid.

Please prayerfully consider what you can give to support this effort. With your support, CRWRC can be an example of Christ's love to those who most need to experience it. Please give generously.

Donations for CRWRC's "East Africa Drought 2011" response can be made through your church, over the phone, online, or by mail. For more information, please visit www.crwrc.org/IDR.
