

Application Checklist for Endorsement

Chaplaincy and Care Ministry (CCM) endorses well-trained ministers of the Word or commissioned pastors who serve in specialized ministries beyond the walls of the church. Chaplains are ordained, gifted and trained, called by the church, and sent by Jesus Christ to provide spiritual care to people in pain or spiritual distress.

The Christian Reformed Church in North America (CRCNA) requires chaplains to meet two requirements. First, all pastors serving in chaplaincy positions (assuming paid full time or significant part time) must be endorsed [*Acts of Synod 1998-Article 44, I.C. 3.a., page 391*]. Second, endorsement is an ongoing process. In order to become endorsed, chaplains must follow the process outlined in the document: [Chaplaincy Endorsement Guidelines](#)

CCM provides endorsement for chaplains through assessment, training, and supervision of chaplains' ministries. Many institutions and organizations require ecclesiastical endorsement, as it indicates that a chaplain has the education, certification, and experience to represent and be held accountable by their faith group. CCM also provides provisional endorsements or candidate recommendations to assist future chaplains in meeting vocational or educational requirements. Those who are interested in chaplaincy through the Christian Reformed Church should apply.
