Dear church administrator/treasurer,

Thank you for the important role you play in your congregation. While it may sometimes seem that the “real work” of church happens on the pulpit or through outreach programs, the role that you play in administration is also important.

Take a look at 1 Corinthians 12:28, for example, and you’ll see that administration (also translated as “forms of leadership” or “guidance”) is listed as a spiritual gift. Christian Reformed men and women in roles such as yours use gifts of organization, administration, budgeting, accounting, and more to provide for the orderly functioning of the church.

Without people providing these gifts to a congregation, the church would be unable to succeed at its other programs and gospel outreach. Thank you.

The resources in this booklet are intended to be a guide to you in these tasks. While they are not exhaustive, they help to address some of the most commonly asked questions we receive from congregations. They also provide the latest 2019-2020 data for your use.

For additional resources and assistance, please visit [crcna.org/FinanceAdmin](http://crcna.org/FinanceAdmin), give us a call at 1-800-272-5125, or write to us at [finance@crcna.org](mailto:finance@crcna.org). We would be happy to assist you in whatever way we can.

Blessings to you in your work.

# Ministry Shares

Over the course of the more than 160-year history of the Christian Reformed Church in North America, various individuals, congregations, and classes have expressed needs for specific supports, ministries, or outreach programs. Along the way, as new ministries were started to meet these needs, our congregations have covenanted to support them through an innovative system known as ministry shares.

You can learn more about our covenantal relationship of ministry shares at [crcna.org/ministryshares](http://crcna.org/ministryshares). You can also find infographics, bulletin inserts, videos, and other tools there to help you communicate about ministry shares with your congregation. In addition, our advancement staff would be happy to talk with you or even visit with you and/or your members to explain in more detail the impact of ministry shares.

Ministry shares work by means of each congregation of the CRCNA contributing a set amount of funds. These funds are then pooled to make a variety of congregational-support ministries possible, such as Safe Church Ministry, Disability Concerns, Race Relations, Worship Ministries, and Pastor Church Resources. The funds also support evangelism and outreach efforts such as Chaplaincy and Care Ministry, Resonate Global Mission, and Back to God Ministries International. To see a complete list of the ministries supported by ministry shares, visit [crcna.org/ministryshares](http://crcna.org/ministryshares).

You may have heard that Synod 2019 has asked Synod 2020 to approve a plan to significantly revise the ministry share system. You'll be hearing more about the revised approach in the coming months. In the meantime, the system will remain as it has been.

Synod 2019 also approved a ministry share amount of \$346.48 per active member for the coming year. The ministry share amount for Calvin University is based on the number of students from a region that attend Calvin. This means that some churches in some areas may give less ministry shares to Calvin and instead contribute a greater amount to denominationally affiliated colleges in their region.

You will soon receive a letter outlining the specific ministry share allocations for your congregation. The following pages show how ministry shares are allocated and how they compare to last year.

## Small Church Ministry Share Reduction

Synod 1987 approved “the concept of a [ministry share] reduction for smaller churches” (*Acts of Synod 1987*, p. 559) and adopted a “formula for [ministry share] reduction. . . at a one percent increase/decrease per family beginning with thirty families paying 50 percent of the total [ministry shares]” (*Acts of Synod 1987*, p. 560). The percentage is now based on a per-member allocation, beginning with churches of 72 members paying 50 percent.

\* Member count is calculated on August 31 of each year and submitted for the following year on the *Yearbook* questionnaire.

\*\* Inactive members are those baptized or confessing members who are declared by consistory to have a relationship to the congregation which has ceased for one year, or who for one year have not made faithful use of the means of grace, especially the hearing of the Word and the Lord's Supper, unless there are extenuating circumstances that make such faithful use impossible.

\*\*\* The small church ministry share reduction is applicable to churches with net membership of 192 or less. The small church ministry share reduction amount is based on active member counts after reduction for “inactive” members. The percentage to be paid as indicated by the smaller church reduction table is applied to the dollar amount of ministry shares, not to the count of active members.

## Electronic Funds Transfer Options

### Monthly Transfers

With this approach, the treasurer sets a monthly amount to be transferred and authorizes CRCNA to transfer the same amount on the same day of every month—the 20th day. Distribution to the denominational agencies is based on a formula approved by synod for the year. Recurring missionary support payments can be included and should be identified at setup. Changes in the amounts can be made at any time.

### One-Time Transfer

The church treasurer authorizes the denominational office to make a one-time transfer from the church's account for the amount indicated. The transfer will take place on the 20th of the month, assuming authorization is received in time.

If you are interested in utilizing the electronic funds transfer (EFT) process, please complete the information below and sign. Attach a voided check (photocopy is acceptable) or a deposit ticket.

## Ministers' Pension

The CRCNA has defined-benefit pension plans for ordained ministers of the Word serving in the United States and Canada. The primary features of the plans include four benefit groups:

- Retirement benefits commencing at age 66, or early retirement benefits in a reduced amount beginning at age 55.
- Long-term disability benefits provided through an insurance company.
- Survivors' benefits paid to a surviving spouse when death of a member occurs while in active service.
- Orphans' benefits paid to a member's orphaned children up to age 18, or to age 21 if in school.

To participate in the Ministers' Pension Plan (MPP), ordained pastors need to complete the MPP registration form and submit it to the pension office.

There are costs associated with participation in the Plan. Organized churches are expected to pay an amount determined on the basis of a per-member assessment amount multiplied by the number of professing members (or the annual direct cost of participation of their first/only pastor if that amount is greater).

In addition, churches pay the direct costs associated with any additional ordained ministers in their employ. Emerging churches must pay the annual direct costs of their ordained pastors, but are not expected to pay based on per member assessments if they do not have an ordained pastor.

For additional information on the Plan, please visit [crcna.org/FinanceAdmin](http://crcna.org/FinanceAdmin). You may also contact the pension office directly at 616-224-0722 or by email at [pension@crcna.org](mailto:pension@crcna.org).

### Example of Ministers' Pension Fund Payments

#### Canada – 2020 Annual Cost

	229 members or less	More than 229 members

Additional pastors	\$9,840 each	\$9,840 each
No pastor (vacant)	# of members X \$42.96	# of members X \$42.96

#### United States – 2020 Annual Cost

	207 members or less	More than 207 members
First pastor	\$7,704	# of members X \$37.20
Additional pastors	\$7,704 each	\$7,704 each
No pastor (vacant)	# of members X \$37.20	# of members X \$37.20

## **Special Assistance Fund**

The Special Assistance Fund provides assistance for retired Ministers of the Word who find themselves in severe financial need and may also provide for the final retirement move of a ministry of the Word.

More information is available at [crcna.org/Pension](http://crcna.org/Pension). Please feel free to contact the pension office directly with any questions at 616-224-0722 or by email at [pension@crcna.org](mailto:pension@crcna.org).

# Ministers Compensation Survey 2019

The Ministers Compensation Survey for 2019 takes a different form this year. In the past we have relied on a detailed survey mailed to the churches and pastors requesting information on base salary, housing, benefits, and a number of other factors. However, the validity of the information has deteriorated over time as the number of returned surveys has continued to drop.

Rather than publishing information that has become of questionable value, we have turned to another source that we believe will provide more reliable information and better serve the churches.

For 2019 we are using information received from the ministers of the Word serving our churches in all classes who are participants in the Ministers' Pension Plans in both the United States and Canada. This group represents a majority of all active ministers of the Word in the CRCNA. Under the terms of the pension program, the participants are required to report annually their total base salary and housing or parsonage allowance. We have used this data to create the information contained in this year's document.

Why is this better than the information we received before? The primary reason is that the response group is larger. However, the secondary reason has to do with the usefulness of averages of components compared to the simple summation of compensation. The level of housing allowance for each minister is dependent on personal circumstances and local economic factors. This becomes more problematic in classes that cover a significant geographic area. In certain situations, a minister may be serving in a small rural setting while in the same classis other ministers may be serving in an urban environment.

What have we included? There are two charts for each country of service. One chart shows the average total salary for the ministers in each classis. This is the combined base and housing factor. The other chart shows the range of salaries paid in relation to percentiles marked at 10% intervals for all ministers in the particular country.

For example, minister salaries at the 10th percentile are equal to or greater than the salaries of 10% of ministers in that country, and they are less than the salaries of 90% of ministers in that country. Salaries at the 20th percentile are the same or more than those of 20% of ministers and less than those of 80% of ministers in that country . . . and so on.

For more detailed pay data in your classis, we would suggest contacting the other churches in your area. For a broader salary report for a particular position at your church, you may want to visit [www.churchlawandtax.com/salary](http://www.churchlawandtax.com/salary).

## Financial Shalom

A recent survey of Christian Reformed Church pastors revealed that many pastors had high levels of anxiety about finances, income, loans, and debt levels. They expressed how worries about their financial future were affecting their ministry.

As a covenant family, the Christian Reformed Church in North America desires for all of our pastors to be kept in good health. This includes emotional, physical, mental, spiritual, and financial health.

To meet this expressed need, we launched a three-year project that aims to improve financial security and shalom for pastors. The Financial Shalom project includes training, tools, and resources to enhance the financial literacy of pastors and congregations. It also includes grants from the Financial Shalom Fund to help pastors meet immediate needs.

The project was made possible through a \$1 million grant from Lilly Endowment Inc.'s *National Initiative to Address Economic Challenges Facing Pastoral Leaders*.

Visit [crcna.org/FinancialShalom](http://crcna.org/FinancialShalom) to learn more. There you can also download the Financial Shalom Brochure (also available in Spanish and Korean) and watch a short video featuring one of our salary supplement grant recipients.

## Denominational Ministries

As the Christian Reformed Church in North America, we are called to express the good news of God's kingdom that transforms lives and communities.

We seek to carry out this calling individually, as congregations, as regional classes, and as an entire denomination in the firm belief that together we can do more. The following ministries reflect our denomination's calling—outlined in the following five ministry priorities—and were started by the congregations of the CRCNA to help us all work together for God's kingdom.

Though many ministries may fit into more than one ministry priority, they can generally be grouped as listed below. To learn more about each specific ministry, please visit [crcna.org](http://crcna.org).

# Ignite: Funding Ministry Innovation

Ignite encourages and enables new ministry innovation and initiatives by providing seed money and other resources to support new ministries for a short time until they can sustain themselves through their own support or through an agency, ministry, church, or classis. Ignite aims to invest at least \$200,000 each year in 12 or more new ministry ideas.

Ignite grants are available for new ideas and new ministry. Ministry ideas are welcome from anywhere in the CRC—churches, classes, ministries, and more. To maximize the impact of Ignite grants, each ministry idea will be considered by a review board made up of donors, ministry staff, and members of the CRC Council of Delegates Support Services Committee. The board will review applications, distribute funds, and assess the impact of each ministry idea.

Ignite has equipped and advanced 85+ ministry projects. Yours could be next.

Since 1996, the CRC has invested more than \$9 million in new ministry initiatives, advancing over 85 ministries, such as the Timothy Leadership Training Institute, Partners Worldwide, Youth Unlimited, Christian Stewardship Services, Home Missions church planting, and more.

Originally founded by a group of CRC members, the funding program grew from the idea to create a way to resource new ministry innovation by providing seed money, and then to support the new ministry for a short time until it could support itself. This funding program, begun by the CRC Foundation, is now called Ignite.
