

## **Benefits of Pastor Church Resources Endorsement**

1. With the benefit of endorsement by Pastor Church Resources (PCR) a minister who is a Specialized Transitional Minister (STM) can be trusted to enter situations in which a congregation is emerging from a long-term or conflicted pastorate.
2. Endorsed STMs are invited to the annual STM conference, ordinarily held two weeks after Easter. Expenses are underwritten by PCR.
3. Endorsed STMs have the ongoing support of the PCR staff, including help making connections with possible STM sites.
4. Endorsed STMs can enjoy the support of a cohort of fellow STMs, which meets approximately every six weeks but provides encouragement and thought partners at any time.
