

About our Faith...

Our faith is an expression of historic Christianity rooted in the teachings of the Bible. We believe that the Bible is God's infallible written Word. We believe in one God who is revealed in the Bible in three persons: The Father, the Son and the Holy Spirit. We believe that because of the fallen corrupt nature of the heart, Jesus Christ was sent to earth in order to die on the cross, taking our punishment on Himself, and restoring us to a right relationship with God. We believe that Christ will one day return and establish a new heaven and a new earth. A Christian (also called a disciple in the Bible) is someone who has made the decision to trust God with his or her life. In gratitude for our restoration, we seek to grow in that relationship with God and honour Him with our lives. Instead of a building, the church then becomes a faith community which loves and glorifies God. As a church, we exist to love and honour God, love and respect people, and produce mature multiplying disciples of Jesus Christ.
