Independent Auditor's Report

Board of Directors CRCNA Funds, LLC Grand Rapids, Michigan

We have audited the accompanying financial statements of CRCNA Funds, LLC, which comprise the balance sheets as of June 30, 2020 and 2019, the related statements of income, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

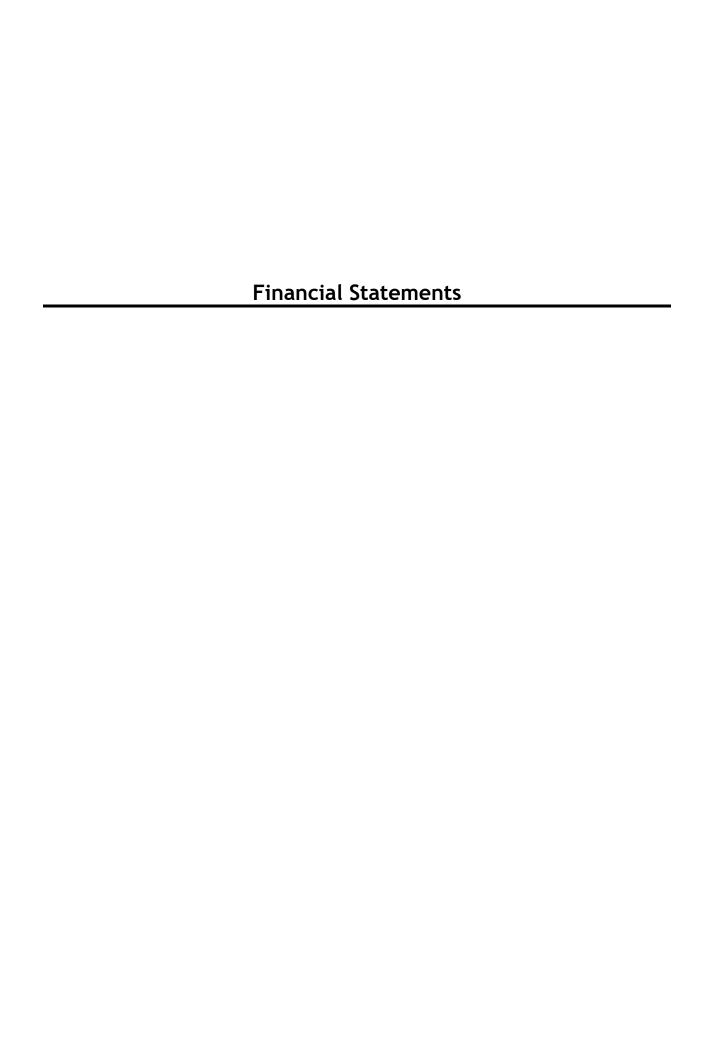

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CRCNA Funds, LLC as of June 30, 2020 and 2019, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

1. Organization

CRCNA Funds, LLC (CRCNA Funds) was formed by the Christian Reformed Church in North America (CRCNA) as of May 26, 2011 as a limited liability company under Delaware law. CRCNA is the sole member of CRCNA Funds. CRCNA Funds is a wholly owned subsidiary of CRCNA, formed to help fulfill the mission and charitable purposes of CRCNA and related agencies.

CRCNA Funds holds investments for participating agencies of the Christian Reformed Church which include Back to God, Resonate Global Missions, World Renew, and CRCNA. These investments were administered and managed by U.S. Trust Manager (Blackrock) and Merrill Lynch. Participating agencies may direct their investments into one or more of the following: a money market account, a balanced portfolio, a fixed-income portfolio, or bank certificates of deposit. Agencies receive allocations of their shares of investment income. All participating agencies are considered related parties.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported therein. Due to the inherent uncertainty involved in making estimates, actual results in future periods may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and highly liquid financial instruments with original maturities of less than three months when purchased.

Investments

CRCNA Funds values its investments at estimated fair value (see Note 4 for additional information). CRCNA Funds invests in various securities, including U.S. government securities, corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the estimated fair values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the balance sheets.

Due to CRCNA Agencies

CRCNA Funds hold investments for the CRCNA agencies, and the investments and investment income are allocated to the various CRCNA agencies based on the agencies' shares of investment at the time of sale, purchase or distribution.

Income Taxes

CRCNA Funds is a limited liability company and, accordingly, no provision for income taxes has been made in the accompanying financial statements. The income or loss of CRCNA Funds is passed through to the sole member, which is a nonprofit religious entity and, therefore, exempt from

Notes to Financial Statements

federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Gifts to CRCNA Funds qualify for charitable contribution deductions according to Internal Revenue Service regulations. CRCNA Funds does not have any material uncertain tax positions.

Investment Income

Investment income consists of interest and dividends, realized and unrealized gains and losses, and other investment charges and fees.

Subsequent Events

Management has evaluated subsequent events through September 22, 2020, the date the financial statements were available to be issued. Based on this evaluation, there were no matters identified that had a significant impact on the financial statements as presented.

Investments with unrealized losses are considered impaired. Determining which investment securities are impaired is the first step in CRCNA Funds' policies and procedures in assessing for other-than-temporary impairment (OTTI). However, the principal considerations that CRCNA Funds bases its OTTI analysis on are if CRCNA Funds intends to sell the impaired security or the amortized cost of the impaired security is not expected to be recovered. Recovery of the amortized cost requires estimating the present value of the expected cash flows associated with the impaired security and estimating the expected recovery period. Both of these estimates require the application of significant judgment and the consideration of a variety of factors. Such factors may be common to the market as a whole or specific to the impaired security issuer or its industry. If an OTTI is indicated, it must be separated into the amount of the total OTTI related to credit issues and the amount of the total OTTI related to all other factors, such as interest rates. The amount of the total OTTI related to all other factors is recognized in other comprehensive income. Based on this approach, CRCNA Funds did not find any securities that it considered to be other-than-temporarily impaired during the years ended June 30, 2020 and 2019.

4. Fair Value Measurements

In accordance with the Financial Accounting Standards Board standard relating to fair value measurements, CRCNA Funds classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. The valuation technique utilized by CRCNA Funds for its Level 2 investments is the market approach, which uses prices and other relevant information generated by market transactions involving identical or comparable assets. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

5. Risks and Uncertainties

COVID-19

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

Management is actively monitoring the impact of the global situation on the industry and its financial condition, liquidity and operations. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, CRCNA Funds is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2021. Although CRCNA Funds cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, if the pandemic continues, it may have an adverse effect on results of future operations, financial position, and liquidity in fiscal year 2021.

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, includes provisions relating to refundable payroll tax credits, deferment of employer-side social security payments, net operating loss carryback periods, alternative minimum tax credit refunds, modifications to the net interest

Notes to Financial Statements

deduction limitations, increased limitations on qualified charitable contributions, and technical corrections to tax depreciation methods for qualified improvement property.

CRCNA Funds continues to examine the impact that the CARES Act may have on its business. Currently, CRCNA Funds is unable to determine the impact that the CARES Act will have on its financial condition, results of operation, or liquidity.
