Independent Auditor's Report

Board of Directors
CRCNA Funds, LLC
Grand Rapids, Michigan

Opinion

We have audited the financial statements of CRCNA Funds, LLC (the Company) which comprise the balance sheets as of June 30, 2021 and 2020, and the related statements of income, changes in member's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2021 and 2020, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CRCNA Funds, LLC

Notes to Financial Statements

1. Organization

CRCNA Funds, LLC (CRCNA Funds) was formed by the Christian Reformed Church in North America (CRCNA) as of May 26, 2011 as a limited liability company under Delaware law. CRCNA is the sole member of CRCNA Funds. CRCNA Funds is a wholly owned subsidiary of CRCNA, formed to help fulfill the mission and charitable purposes of CRCNA and related agencies.

CRCNA Funds holds investments for participating agencies of the Christian Reformed Church, which include ReFrame Ministries, World Renew, and CRCNA. These investments were administered and managed by U.S. Trust Manager (Blackrock) and Merrill Lynch. Participating agencies may direct their investments into one or more of the following: a money market account, a balanced portfolio, a fixed-income portfolio, or bank certificates of deposit. Agencies receive allocations of their shares of investment income. All participating agencies are considered related parties.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported therein. Due to the inherent uncertainty involved in making estimates, actual results in future periods may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and highly liquid financial instruments with original maturities of less than three months when purchased.

Investments

CRCNA Funds values its investments at estimated fair value (see Note 4 for additional information). CRCNA Funds invests in various securities, including U.S. government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the estimated fair values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the balance sheets.

Due to CRCNA Agencies

CRCNA Funds hold investments for the CRCNA agencies, and the investments and investment income are allocated to the various CRCNA agencies based on the agencies' shares of investment at the time of sale, purchase, or distribution.

Income Taxes

CRCNA Funds is a limited liability company and, accordingly, no provision for income taxes has been made in the accompanying financial statements. The income or loss of CRCNA Funds is passed through to the sole member, which is a nonprofit religious entity and, therefore, exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Gifts to CRCNA

CRCNA Funds, LLC

Notes to Financial Statements

Funds qualify for charitable contribution deductions according to Internal Revenue Service regulations. CRCNA Funds does not have any material uncertain tax positions.

Investment Income

Investment income consists of interest and dividends, realized and unrealized gains and losses, and other investment charges and fees.

Subsequent Events

Management has evaluated subsequent events through September 22, 2021, the date the financial statements were available to be issued. Based on this evaluation, there were no matters identified that had a significant impact on the financial statements as presented.

Investments with unrealized losses are considered impaired. Determining which investment securities are impaired is the first step in CRCNA Funds' policies and procedures in assessing for other-than-temporary impairment (OTTI). However, the principal considerations that CRCNA Funds bases its OTTI analysis on are if CRCNA Funds intends to sell the impaired security or the amortized cost of the impaired security is not expected to be recovered. Recovery of the amortized cost requires estimating the present value of the expected cash flows associated with the impaired security and estimating the expected recovery period. Both of these estimates require the application of significant judgment and the consideration of a variety of factors. Such factors may be common to the market as a whole or specific to the impaired security issuer or its industry. If an OTTI is indicated, it must be separated into the amount of the total OTTI related to credit issues and the amount of the total OTTI related to all other factors, such as interest rates. The amount of the total OTTI related to credit issues is recognized in earnings. The amount of the total OTTI related to all other factors is recognized in other comprehensive income. Based on this approach, CRCNA Funds did not find any securities that it considered to be other-than-temporarily impaired during the years ended June 30, 2021 and 2020.

A summary of the amortized cost and estimated fair value of available-for-sale fixed-maturity securities at June 30, 2021, by contractual maturity, is provided below. The expected maturities may differ from the contractual maturities because certain borrowers have the right to call or prepay obligations with or without call or prepayments penalties.

4. Fair Value Measurements

In accordance with the Financial Accounting Standards Board (FASB) standard relating to fair value measurements, CRCNA Funds classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. The valuation technique utilized by CRCNA Funds for its Level 2 investments is the market approach, which uses prices and other relevant information generated by market transactions involving identical or comparable assets. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth by level within the fair value hierarchy a summary of CRCNA Funds' investments measured at estimated fair value on a recurring basis:
