

See our Faith Formation Project in Action!

Please mark your calendars and plan to stay after worship for dinner on:

***Sunday, November 1, after worship
in the Upper Ignite Center!***

A great light meal is being planned . . . and you don't have to bring a thing! This will be your first chance to see and hear how the Building Blocks pilot project is already impacting some of our ministries! Our ***Ignite Youth Group and GEMS Girls' Club*** will be the first of our ministries to report to you. You will learn how evaluating their activities in light of the Building Blocks helps them to celebrate what God is doing through Ignite and GEMS...and to see more clearly how those ministries can be strengthened.

This will be the first in a series of occasional church dinners highlighting various ministries.

We hope that these times of fellowship and listening will be a source of joy and inspiration to all of you.

**Since the presentations will be brief,
your entire family is welcome to enjoy
the meal together with us!**
