Independent Auditor's Report

The Board of Directors
Christian Reformed Church Loan Fund, Inc. - U.S.
Grand Rapids, Michigan

Opinion

We have audited the financial statements of the Christian Reformed Church Loan Fund, Inc. - U.S. (the Fund), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for each of the three years ended June 30, 2022, 2021, and 2020, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for each of the three years ended June 30, 2022, 2021, and 2020, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Organization

The purpose of the Christian Reformed Church Loan Fund, Inc. - U.S. (the Fund), a nonprofit corporation, is to assist congregations of the Christian Reformed Church in financing capital expansion projects. To accomplish this, the Fund grants loans, up to certain limits, for land and other capital expenditures to churches in the United States of America. Loan recipients are charged interest at rates sufficient to cover the Fund's cost of borrowing and operating expenses.

The Fund operates from office facilities provided by Christian Reformed Church in North America (CRCNA).

2. Summary of Significant Accounting Policies

Basis of Presentation

Net assets of the Fund and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - These represent resources that are not restricted, either temporarily or permanently, by donor-imposed stipulations. They are available for the support of all organizational operations and services.

Net Assets with Donor Restrictions - These represent resources with donor stipulations that limit the use of donated assets. When a donor restriction expires—that is, when a stipulated time restriction ends, or purpose restriction is accomplished—net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

As of June 30, 2022 and 2021, the Fund has no net assets with donor restrictions; however, the Board of Directors has designated \$334,164 of net assets without donor restrictions for any future loan losses in excess of the allowance account.

Revenues and investment income are reported as follows:

Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Net assets with donor restrictions contributions whose restrictions are satisfied in the same year in which the contribution revenue is recorded are reported as unrestricted contributions.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported therein. Due to the inherent uncertainty involved in making estimates, actual results reported in future periods may differ from those estimates.

Christian Reformed Church Loan Fund, Inc. - U.S.

Notes to Financial Statements

Subsequent Events

Management has evaluated subsequent events through August 22, 2022, the date the financial statements were available to be issued. Based on evaluation, there were no matters identified that had a significant impact on the financial statements as presented.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. The Fund does not allocate management and general costs among program services. The statements of functional expenses present the natural classification detail of expenses by function.

Income Taxes

The Fund is included in the CRCNA group exemptions as an organization described under Internal Revenue Code Section 501(c)(3), exempt from taxation under Section 501(a). Contributions to the Fund are deductible for federal tax purposes.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and highly liquid investments purchased with an original maturity of three months or less at the date of purchase.

Concentrations of Credit Risk

The Fund maintains its cash in various bank and brokerage accounts managed by CRCNA and does not consider there to be a significant credit risk arising from deposits in excess of federally insured limits.

The risk associated with making many large loans is managed by limiting the size of each secured loan to \$1,500,000 or 6% of total assets. A loan may exceed \$1,500,000 only if members of the church invest in investment certificates with a minimum term of three years and in an amount at least equal to the amount by which the loan exceeds \$1,500,000. The total amount of all unsecured loans shall not exceed 10% of the total outstanding loans of the Fund (see Note 4). There were no loans with a balance over \$1,500,000 as of June 30, 2022 or 2021.

Loans

Loans that management has the intent and ability to hold for the foreseeable future, or until maturity or payoff, are reported at the principal balance outstanding, net an allowance for loan losses.

The loan portfolio is segmented into standard loans and construction loans, both of which are secured by a mortgage on the property. The Fund also makes unsecured loans for capital improvements or repairs to existing church-owned buildings. Construction loans are loans in the construction stage and are not completed to the point where permanent occupancy is permitted.

The Fund considers a loan impaired when, based on current information and events, it is probable that the Fund will be unable to collect the scheduled payments of principal or interest when due according to the contractual terms of the original loan agreement.

Christian Reformed Church Loan Fund, Inc. - U.S.

Notes to Financial Statements

Interest Income

Interest income is recognized and accrued on loans receivable and cash and cash equivalents when earned. Interest income on impaired loans is recognized only when interest payments are received.

Allowance for Loan Losses

The allowance for loan losses is increased by a provision for losses charged to expense and reduced by loans charged off, net of recoveries. The allowance is maintained at a level considered adequate to provide for probable incurred loan losses based on management's evaluation of the anticipated impact on the loan portfolio of current economic conditions, past loan experience, probable future losses on loans to specific borrowers, the financial condition of the borrower, the value of underlying collateral, and other pertinent factors that management believes require current recognition in estimating probable loan losses. Specific reserves are established for any impaired loan for which the recorded investment in the loan exceeds the fair value of the loan, less estimated costs to sell. There were no charge-offs or recoveries in the years ended June 30, 2022, 2021, or 2020.

Fair Value Measurements

Recorded book value approximates fair value for all financial instruments within the Fund.

3. Liquidity

The Fund's financial assets available within one year of the statements of financial position date for general expenditures are as follows:

<i>June 30,</i>	2022	2021
Cash and cash equivalents	\$ 9,263,219	\$ 5,199,045
Accrued interest receivable	62,848	81,601
Current portion of loans receivable	115,600	5,900
Total	\$ 9,441,667	\$ 5,286,546

As part of the Fund's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

4. Loans Receivable

The components of loans receivable by class, net, are as follows:

<i>June 30,</i>	2022	2021
Commercial real estate loans:		
Secured loans	\$ 11,101,610	\$ 16,349,326
Unsecured loans	42,119	110,083
Allowance for loan losses	(400,073)	(400,073)
Loans Receivable, Net	\$ 10,743,656	\$ 16,059,336

Christian Reformed Church Loan Fund, Inc. - U.S.

Notes to Financial Statements

The allowance for loan losses relates solely to standard loans, and these loans have been evaluated for impairment. During the years ended June 30, 2022 and 2021, the allowance account remained at \$400,073.

Loans receivable at June 30, 2022 bear interest at predominantly adjustable interest rates ranging from 4.25% to 5.75% and mature in various amounts through 2041. Substantially all loans receivable are secured by first or second real estate mortgages.

Maturities on loans receivable at June 30, 2022 are summarized as follows:

Year ending June 30,

2023	\$	115,600
2024		-

Standard	\$ 16,429,784	\$ -	\$ -	\$ 29,625	\$ 16,459,409

There was one restructured loan at June 30, 2022 and 2021 with a balance of \$431,637 and \$450,608, respectively. This restructured loan had a specific allowance of \$0 recorded as of June 30, 2022 and 2021. This restructured loan is considered a Troubled Debt Restructuring, as defined, based on the fact that the Fund has granted a concession to the borrower, who was considered to be experiencing financial difficulties. The subject loan is not included in non-performing loans, as it is considered probable that all contractual principal and interest due under the restructured terms will be collected.

5. Certificates Payable

Certificates payable are issued under certificate offerings either registered or exempt from registration in the states where the certificates are offered. The certificates are initially offered in minimum denominations of \$1,000 or \$5,000, depending on the type of certificate, and may be issued by the Fund at any time. Interest is paid monthly or quarterly, depending on the amount invested, and may be reinvested by the certificate holder at an annual percentage yield (predominately fixed) ranging from 1.00% to 2.00% at June 30, 2022 (weighted average at June 30, 2022, 2021, and
