June 2008

The Christian Reformed Church in North America has partnered with Buiten & Associates, LLC to create a National Insurance Program available to all CRC members in the United States. The purpose of this nationally endorsed relationship is to provide excellent property and liability insurance coverage with significant premium discounts for its members.

Buiten & Associates has had a 40-year relationship with the CRCNA and is excited for an opportunity to work with member CRC Churches located in the United States. A number of CRC churches have already chosen Buiten & Associates and obtained significant premium savings in this comprehensive property and liability insurance program.

We have included a brochure of the Church Protector Program created by Buiten & Associates specifically for the needs of churches. If you would like to receive a “no-obligation” quote, please visit www.buiteninsurance.com/churchprotector.htm and complete the application process or contact Buiten & Associates and ask for a member of the CRC Team.

Please note that the amount of premium discount will ultimately be enhanced as church participation increases and by the group’s ability to manage risk exposures via coverage provided through Buiten & Associates and the servicing insurance companies.

Sincerely,
