* The "Year" indicates the year in which the *Yearbook* was published.

*In the year 2020 our world experienced the COVID-19 pandemic, which had an effect on churches opening in-person services — many churches added virtual services, others held services allowing fewer attendees. This data may reflect the abnormal year experienced by our churches.

*In reporting this year's statistics, supervising councils were asked to include in their membership tally the number of members in their church and the number of members attending any emerging church(es) under their supervision.
