Pray that Qing may continue to grow in faith, that these resources may bless many more people, and that our Chinese ministry partners may have many other opportunities for meaningful follow-up and support.

**5 SATURDAY** (Thrive) *Healing*—Lord . . . you are the God who calls people from every nation, tribe, people, and language. . . . Save those who are hurting and displaced . . . because of war, famine, crime, natural disaster, and persecution. . . . Bring healing to our communities and countries through your church. Give our civil leaders wisdom, and give us words to support and advocate for the voiceless.
