

## PSALM STARTERS

**I** God, your love is neverending.  
I have felt your love...

God, your love is neverending.  
I have seen your love...

God, your love is neverending.  
I will remember your love when...

God, your love is neverending!

---

**II** My soul is in anguish, and I wonder  
where you are, God.  
God, why are you silent about...

My soul is in anguish and I wonder  
where you are.

**III** When I think of the things that  
make me worry, like....

I feel....

But when I remember you, God....

I feel....

God, please....

And help me to....

---

**IV** Thank you God!  
Thank you God, for...

Thank you, God!
