

Disability Concerns

Everybody Belongs. Everybody Serves.

What We Do

Disability Concerns strives to promote and foster relationships, communities, and societies where everybody belongs and everybody serves by assisting churches, agencies, institutions, and leadership within the Reformed Church in America and the Christian Reformed Church in North America.

Our goal is for churches to:

- **think and act** in keeping with the biblical call regarding people with disabilities
- **break barriers** of communication, architecture, and attitude
- **establish** ministries with, for, and by people with disabilities and their families

We are blessed by three kinds of financial support: CRC ministry shares, designated church offerings, and generous gifts from people like you. Thank You!

Our Community

Regional Disability Advocates across North America support the mission of Disability Concerns. They assist Church Disability Advocates and are knowledgeable regarding local assistance within your community.

Church Disability Advocates work within their own church community, identifying the needs of church members living with a disability (and their loved ones) and together explore with church leaders appropriate ways for the church to respond. Their goal is to encourage the full inclusion of people with disabilities in the life of the church so that their God-given abilities are utilized fully.

Everybody Belongs, Serving together

Everybody Belongs, Serving Together is a handbook with insights, tips, and testimonies—stories from people with lived experience of disabilities—designed to help churches embrace people with disabilities as partners in ministry. Available at faithaliveresources.org

Stay Connected

Disability Concerns works to stay connected to our community in a number of ways. We want to be sure our community feels well informed not only about the work that we, as a ministry, are doing, but also what other organizations within the disability community are offering that we can benefit and learn from.
