## Independent Auditor's Report

Governing Board  
World Renew  
Grand Rapids, Michigan

We have audited the accompanying financial statements of World Renew (the Organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of World Renew as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### 1. Organization

World Renew (a Michigan nonprofit corporation) (the Organization) operates under the direction of the Synod of the Christian Reformed Church. The purpose of the Organization is to provide technical and rehabilitation assistance as well as disaster relief on a worldwide basis.

The Organization's Program Services are described as follows:

- *Overseas Development* - The Organization works overseas on community development by training people in agriculture, health, income earnings, literacy, small business development and leadership skills in order to transform communities and improve lives. This is accomplished, in large part, through mentoring local non-government organizations in under-served communities.
- *Disaster Programs* - The Organization provides disaster survivors with assistance. Overseas relief focuses on food, medicine and other material aid. Domestic relief efforts focus on either granting funds to long-term recovery organizations or facilitating volunteer teams in order to conduct clean-up, needs assessment and home reconstruction/repair to communities in disaster areas.
- *Domestic Development* - The Organization equips and networks community development leaders to build community strength and seek just sustainable transformation through strategic partnership with the Christian Reformed Church in North America and with various US churches.
- *Education and Justice* - The Organization educates constituency and provides opportunities, through work groups and volunteer positions, for people to serve in North America and overseas in community development.

### 2. Summary of Significant Accounting Policies

#### *Basis of Presentation*

Revenues, contributions, grants and investment income are reported as follows:

- Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions, unless their use is restricted by explicit donor stipulation. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Contributions with donor-imposed restrictions where the restrictions are met in the same year as the contribution is received are reported as revenues without donor restrictions.
- Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

## Notes to Financial Statements

---

During the fiscal years ended June 30, 2020 and 2019, \$2,165,061 and \$1,981,959, respectively, were released from designation and moved to operating net assets without donor restrictions.

### *Use of Estimates*

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect amounts reported therein. Due to the inherent uncertainty involved in making estimates, actual results reported in future periods may differ from those estimates.

### *Cash and Cash Equivalents*

Cash and cash equivalents consist of cash on hand and estimated highly liquid financial instruments with original maturities of less than three months when purchased.

### *Concentrations of Credit Risk*

Financial instruments which potentially subject the Organization to concentrations of credit risk consist of cash and cash equivalents. The Organization places its cash and cash equivalents with high credit qualified institutions. At times, the amount of cash and cash equivalents may be in excess of the respective institutions' insurance limits. The Organization has not experienced any losses in such accounts, and management believes the Organization is not exposed to any unusual credit risk on cash and cash equivalents.

### *Investments*

Investments are carried at fair value as determined by quoted market prices and other measurement inputs. See Notes 5 and 6 for additional disclosures on investments.

### *Field Advances*

Field advances represent holdings of overseas offices for use of current and future programs consisting of reconciled overseas bank accounts, petty cash holdings, staff advances and, in certain offices, emergency evacuation funds.

### *Pledges and Grants Receivable*

Pledges and Grants receivable consist of unconditional promises to give and are recorded in the year the promise is made. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows.

The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. The interest rate used in computing the discount of the estimated future cash flows was 0.78% for pledges received in 2020. The discount will be recognized as contributions revenue in future fiscal years as the discount is amortized over the duration of the contributions. An allowance for uncollectible contributions receivable is provided based on management's judgment, including such factors as prior collection history, subsequent collections, type of contribution, and nature of fundraising activity. Conditional promises to give are not included as revenue until the conditions are substantially met.

### ***Property, Equipment and Depreciation***

Property and equipment are carried at cost less accumulated depreciation. Property and equipment purchases of \$5,000 or more are capitalized and depreciated using the straight-line method over the estimated useful lives of the assets, which range from 2 to 40 years. Property and equipment for use in international fields are expensed at the time of purchase.

### ***Net Assets***

Net assets and changes therein are classified and reported as follows:

#### ***Net Assets Without Donor Restrictions***

Net assets without donor restrictions are available for use at the discretion of the Board of Trustees (the Board) and/or management for general operating purposes. From time to time, the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. The Board has designated a portion of net assets without donor restrictions as a quasi-term-endowment (an amount to be treated by management as if it were part of the donor restricted term-endowment) for the purpose of securing the Organization's long-term financial viability. See Note 15 for further details.

#### ***Net Assets With Donor Restrictions***

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions. The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the consolidated statements of activities as net assets released from restrictions. See Notes 16 and 17 for further details.

### ***Donated Services***

Donated services are reflected in the statements of activities to the extent that they are in accordance with the Financial Accounting Standards Board (FASB) standard, *Accounting for Contributions Received and Contributions Made*. Skilled volunteer service hours of 31,815 and 52,211 were contributed to the Organization and recorded in the statements of activities in the amount of \$865,368 and \$1,327,713 as revenues and expenses during the years ended June 30, 2020 and 2019, respectively. The skills provided include management, construction trades, and accounting. Certain other donated services are not reflected in the financial statements inasmuch as these services do not create or enhance nonfinancial assets or require specialized skills. Volunteer service hours of approximately 100,300 and 169,400 were contributed to the Organization, but not reflected in the financial statements, during the years ended June 30, 2020 and 2019, respectively, by approximately 1,300 and 2,300 individuals, respectively.

### ***Donated Materials***

Donated materials are recorded in the financial statements when such donations are significant and meet the criteria of the FASB standard previously mentioned.

## Notes to Financial Statements

---

### ***Grants From Others***

Grants from others are recorded as deferred revenue upon receipt of advances. Grant revenues are recognized as related expenses are incurred.

### ***Cost Allocation Plan***

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs incurred for the joint purpose of educating constituents and soliciting financial support has been allocated according to the amount the programs and supporting services benefited. For the 2020 and 2019 fiscal years, respectively, these joint costs totaled \$1,935,994 and \$1,205,018, with an allocation of \$967,997 and \$602,509 to fundraising and an allocation of \$967,997 and \$602,509 to education and justice.

### ***Investment Income***

Investment income consists of realized and unrealized gains and losses, interest and dividends, the change in the present value of annuities payable, and investment expenses.

### ***Functional Allocation of Expenses***

The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other supporting services based on the proportion of full-time employee equivalents of a program or other supporting service versus the total organizational full-time employee equivalents.

### ***Income Taxes***

The Organization is exempt from federal income taxes due to its status as a not-for-profit corporation under Internal Revenue Code Section 501(c)(3), and contributions are deductible for federal income tax purposes. The Organization is not aware of any material uncertain tax positions.

### ***Subsequent Events***

Management has evaluated subsequent events through October 19, 2020, the date the financial statements were available to be issued. Based on evaluation, there were no matters identified that had significant impact on the financial statements presented.

The assets above include Board-designated funds as discussed in Note 15. While the Organization does not intend to spend these for purpose other than determined by the Board, the funds could be made available for current operations, if necessary.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

### 4. Property and Equipment

A summary of property and equipment is as follows:

<i>June 30,</i>	<b>2020</b>	<b>2019</b>
Land	\$ 130,206	\$ 130,206
Buildings and leasehold improvements	216,850	209,000

### 5. Investments

The Organization directs the majority of its investments through CRCNA Funds, LLC (CRCNA Funds). CRCNA Funds holds investments of the participating agencies of the Christian Reformed Church, which are administered and managed by US Trust. Participating agencies direct their investments into a money market account, a balanced portfolio and a fixed-income portfolio, and are allocated their share of investment earnings and losses.

#### *Investment Risk*

The Organization invests in various securities including government bonds, corporate bonds, equity funds, money market funds and other debt instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of financial position.

Investments are summarized as follows:

<i>June 30,</i>	<b>2020</b>	<b>2019</b>
<b>Investments Held by CRCNA Funds, LLC</b>		
Cash equivalents portfolio	\$ -	\$ 18
Fixed-income portfolio	28,595	27,736
Balanced portfolio	9,425,009	8,860,874
<b>Total Investments Held by CRCNA Funds, LLC</b>	<b>\$ 9,453,604</b>	<b>\$ 8,888,628</b>
<b>Other Investments</b>	<b>\$ 24,963</b>	<b>\$ 29,535</b>

Investments are carried at fair value. Fair value is determined by closing market prices at fiscal year-end. Unrealized appreciation and depreciation of investments held at fair value as of the fiscal year-end is determined using the beginning of the fiscal year market value or purchase price, if acquired since that date. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis.

Total investment income of approximately \$701,000 and \$638,000 for the years ended June 30, 2020 and 2019 represented reinvested investment and dividend income of approximately \$194,000 and \$222,000, distributed investment income of approximately \$160,000 and \$179,000, and net unrealized gains of approximately \$347,000 and \$237,000, respectively.

### 6. Fair Value Measurements

In accordance with the FASB standard relating to fair value measurements, the Organization classifies its investments and annuities payable into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities and annuities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities and other investments valued based on significant unobservable inputs. The valuation technique utilized by the Organization for its Level 2 investments is the market approach, which uses prices and other relevant information generated by market

transactions involving identical or comparable assets. Annuities payable are valued at present value. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth by level within the fair value hierarchy a summary of the Organization's investments and annuities payable measured at fair value on a recurring basis:

<i>June 30, 2020</i>	Level 1	Level 2	Level 3	Total
Investments held by CRCNA Funds, LLC	\$ 8,592,776	\$ 860,828	\$ -	\$ 9,453,604

The change in the Organization's Level 3 investment was due to a net unrealized loss of \$4,615 and \$3,252 for the years ended June 30, 2020 and 2019, respectively.

### 7. Pledges and Grants Receivable

Pledges and grants receivable consist of the following unconditional promises to give at:

<i>June 30,</i>	2020	2019
Amount due in less than one year	\$ 213,964	\$ 213,177
Amount due in one to five years	360,000	465,000

Less: discount	(8,319)	(24,558)
<b>Total</b>	<b>\$ 565,645</b>	<b>\$ 653,619</b>

### 8. Annuities Payable

Donors have transferred assets to the Organization in exchange for the right to receive a predetermined return during their lifetime (an annuity). A portion of the transfer is considered to be a charitable contribution for income tax purposes. Upon receipt of the transfer, the Organization records a liability for the annuity payable at the present value of future payments based on life

## Notes to Financial Statements

---

expectancy and the midterm federal rate for U.S. treasury bills for the month the contract is written with the same maturity as the average life expectancy of the annuitants. The difference between the liability recognized for the annuity and the amount of the transfer is recognized as unrestricted contribution income at the date of the gift, unless the gift portion is restricted. Annuity payments are charged against the liability which, at the end of each fiscal year, is adjusted to the present value of future payments based on life expectancy (utilizing the Internal Revenue Service (IRS) Life Expectancy Tables for Males and Females) and the interest rate commensurate with the remaining expected term of the contract (3.8% to 8.0% at June 30, 2020). The resulting adjustment is netted against investment income in the statements of activities.

### 9. Conditional Support

The Organization has been identified as the primary beneficiary of charitable gift annuities donors have entered into with the Barnabas Foundation. These are considered conditional contributions, as the Organization receives no funds until the donor's death. The total amount of these conditional contributions was approximately \$444,900 and \$436,000 at June 30, 2020 and 2019, respectively. Conditional promises to give are not recognized as revenue until they become unconditional, that is, when the conditions on which they depend are substantially met.

### 10. Due to World Renew in Canada

Disaster programs, overseas development projects, management and general expenses, and certain fundraising costs are funded jointly by the Organization and World Renew in Canada. Payable to or receivables from World Renew in Canada result depending on the original funding source of these shared costs. The amount due to World Renew in Canada was approximately \$1,882,800 and \$59,000 for the years ended June 30, 2020 and 2019, respectively.

### 11. Employee Retirement Plan

The Organization contributes to the CRCNA's Employee's Savings Plan, a defined contribution retirement plan for the benefit of covered employees. The Organization's obligation for the plan is limited to a matching contribution of up to 4% of eligible wages, with employer discretionary contributions equaling 6% of eligible wages of qualified employees for the years ended June 30, 2020 and 2019.

Retirement plan contribution expense for the years ended June 30, 2020 and 2019 amounted to approximately \$407,500 and \$303,000, respectively, for the plan.

### 12. Transactions With Other Christian Reformed Church Entities

#### *Paycheck Protection Program Financial Support*

On their behalf and that of the Christian Reformed Church in North America, Raise Up Global Ministries, World Renew, and Back To God Ministries International applied for a \$4,184,145 loan under the Small Business Administration's Paycheck Protection Program (PPP) through provision by the CARES Act. In May 2020, TCF National Bank tendered the \$4,184,145 with a 1% interest-bearing promissory note that specifies repayment in 18 monthly installments beginning December 1, 2020.

# World Renew

## Notes to Financial Statements

---

These agencies applied for these PPP monies with the expectation of meeting the eligibility criteria for loan forgiveness. As such, they have elected to account these PPP loans in accordance with the FASB ASC 958-605 as a conditional contribution. This allows each agency to recognize contribution income as qualifying expenses are incurred.

The allocation of PPP monies among the four agencies is as follows:

	Amount Awarded	Conditions Met as of June 30, 2020	Remaining Balance as of June 30, 2020
Back to God Ministries International	\$ 530,578	\$ (368,830)	\$ 161,748
World Renew	817,258	(568,093)	249,165
Raise Up Global Ministries	59,562	(42,084)	17,478
Christian Reformed Church in North America	2,776,747	(1,929,515)	847,232
<b>Total</b>	<b>\$ 4,184,145</b>	<b>\$ (2,908,522)</b>	<b>\$ 1,275,623</b>

During the year ended June 30, 2020, World Renew recognized \$568,093 as revenue, which is included in the statement of activities under grants from others.

See Note 18 for further details about the CARES Act and its impact on the Organization.

### ***Other Transactions With Other Christian Reformed Church Entities***

### 13. Term Endowments

The Organization has established two term endowment funds in order to apply certain types of financial support received against the Organization's financial operations over an extended period of time.

As required by GAAP, net assets associated with these term endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

### 18. Risks and Uncertainties

#### *COVID-19*

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

Management is actively monitoring the impact of the global situation on the not-for-profit industry, financial condition, liquidity and operations. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Organization is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2021. Although the Organization cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, if the pandemic continues, it may have an adverse effect on results of future operations, financial position, and liquidity in fiscal year 2021. The Organization's operations are heavily dependent upon contributions.

#### *CARES Act*

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, includes provisions relating to refundable payroll tax credits, deferment of employer-side social security payments, net operating loss carryback periods, alternative minimum tax credit refunds, modifications to the net interest

deduction limitations, increased limitations on qualified charitable contributions, and technical corrections to tax depreciation methods for qualified improvement property.

The CARES Act also appropriated funds for the SBA Paycheck Protection Program loans that are forgivable in certain situations to promote continued employment, as well as Economic Injury Disaster Loans to provide liquidity to small businesses harmed by COVID-19. The financial assistance provided to the Organization and related parties, as identified in Note 12, through the SBA Paycheck Protection Program is outlined within Note 12.

The Organization continues to examine the impact that the CARES Act may have on operations. The application for these funds requires the Organization and related parties to, in good faith, certify that the current economic uncertainty made the loan request necessary to support the ongoing operations of the Organization and related parties. This certification further requires the Organization and related parties to take into account their current business activity and the ability to access other sources of liquidity sufficient to support ongoing operations in a manner that is not significantly detrimental to their respective business operations. The receipt of these funds, and the forgiveness of the loan attendant to these funds, is dependent on the Organization and related parties having initially qualified for the loan and qualifying for the forgiveness of such loan based on their future adherence to the forgiveness criteria.
